

HFTP GREATER PHILADELPHIA CHAPTER

Toy Drive

For the fourth year in a row, we have teamed up with the HeadStrong Foundation to help a family in our area this holiday season. At the HEADstrong Foundation, they offer financial, residential, and emotional support to families affected by cancer. The team is based in Philadelphia and works relentlessly to provide resources for patients and their families who are receiving specialized cancer care throughout the country.

This year, we will be helping another family who reside in the Philadelphia area. The mother is currently dealing with cancer and has 3 little girls ages 11, 8, and 6.

Here's where your involvement becomes crucial. If you have already purchased or plan to purchase one of the items listed, please contact Joel Crouse. This will help us ensure that there are no duplicate gifts and make the process smoother. Once an item has been acquired, we will notify our chapter through email and update the list on our website. Kindly wrap and label the gifts for each specific child.

We sincerely appreciate your support in advance, and if you have any questions, please don't hesitate to reach out. Thank you!
